21 Athletic Association. O'Brien worked his way to the front in the early part of the trail, and after passing Arthur Rose, the unattached runner, had an unchallenged path to the tape. Rose was barely able to defeat Jack Marcin, of the College Point Athletic Club, for second honors, by five yards. The victor's time was 29 minutes

## Why do we?

A man who has recently bought a Reo, said the other day.

"Why do you advertise your 'New York to San Francisco in 101/2 days' so much; why don't you tell something about the car? We answered him with a question,

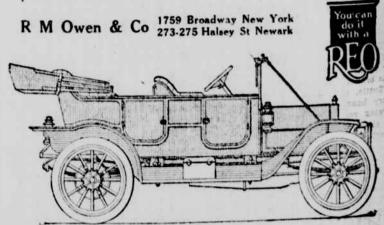

"How did you come to buy your Reo?" "Well, I've been thinking about buying a

. . . (\$2500 car), but I have just gradually been making up my mind that the Reo will do about all I want of a car.

"Yes, but what decided you?"

"Come to think, it was your New York to San Francisco record; for, after all, that does tell everything anybody wants to know about a car.

Our friend is right. This record is absolute proof of reliability, strength, speed, power and comfort, and we have a lot more proof besides.
